

# ULTRASONIC CLEANING TANKS

Merlin Diesel's series of ultrasonic wash tanks are industrial grade and have been designed to remove all kinds of dirt, grease and corrosion.

Constructed out of robust stainless steel providing the optimal cleaning environment, Merlin's cleaning tanks are a perfect addition to any diesel workshop.

All come equipped with heat and timer controls, a removable basket and an easy-clean stainless steel lid.

**See our range below and on [our website](#).**

**Part Number: T041-502**

**Ultrasonic/Heating Power: 60W/100W**

**Capacity: 2 LTR**

**Frequency: 40 KHZ**

**Voltage: AC220V-240V 50/60 HZ**

**Tank Size: 15 x 13.5 x 10 cm**

**Outside Dimensions: 18 x 16 x 20.5 cm**

**£190+VAT**

**£300+VAT**

**Part Number: T041-505**

**Ultrasonic/Heating Power: 180W/200W**

**Capacity: 5 LTR**

**Frequency: 40 KHZ**

**Voltage: AC220V-240V 50/60 HZ**

**Tank Size: 30 x 15 10cm**

**Outside Dimensions: 33 x 18 x 23.5cm**

# ULTRASONIC CLEANING TANKS

**£495+VAT**

**Part Number: T041-515**

**Ultrasonic/Heating Power: 360W/300W**

**Capacity: 15 LTR**

**Frequency: 40 KHZ**

**Voltage: AC220V-240V 50/60 HZ**

**Tank Size: 33 x 30 x 15cm**

**Outside Dimensions: 40 x 32.5 x 28cm**

**Part Number: T041-520**

**Ultrasonic/Heating Power: 480W/500W**

**Capacity: 20 LTR**

**Frequency: 40 KHZ**

**Voltage: AC220V-240V 50/60 HZ**

**Tank Size: 50 x 30 x 15cm**

**Outside Dimensions: 60 x 35 x 28cm**

**£595+VAT**

**Part Number: T041-530**

**Ultrasonic/Heating Power: 600W/600W**

**Capacity: 30 LTR**

**Frequency: 40 KHZ**

**Voltage: AC220V-240V 50/60 HZ**

**Tank Size: 50 x 30 x 20cm**

**Outside Dimensions: 60 x 35 x 33.4cm**

**£700+VAT**
