## Merlin Diesel appointed **Hartridge UK and Ireland** **National distributors for All Authorised Test Equipment**

As a company that has continued to evolve over the years, we decided to look at how we could better serve our home customer base in the UK and Ireland from both a sales and service perspective.

In 2020 we partnered with Hartridge to become your first port of call for the latest Hartridge products. We are now pleased to announce that we will be extending our partnership to include **Delphi and Denso Authorised test equipment**. The range will include:

**AVM2**

**HK1500**

**CRp-PC**

**Cri-Pro**

**AVM2-PC Upgrade Packages (Euro VI CR pumps including Delphi M-Deg & Denso HP5,6 & 7**

We are very excited about the extension to this agreement with Hartridge. It will enable us to offer our clients an increased range of products and technical expertise, and we look forward to continued success in our home market.
